WHEREAS, on March 12, 2020, Governor Ralph S. Northam issued Executive Order Fifty-One declaring a state of emergency for the Commonwealth of Virginia arising from the novel Coronavirus (COVID-19) pandemic; and

WHEREAS, Executive Order Fifty-One acknowledged the existence of a public health emergency which constitutes a disaster as defined by Virginia Code § 44-146.16 arising from the public health threat presented by a communicable disease anticipated to spread; and

WHEREAS, Executive Order Fifty-One ordered implementation of the Commonwealth of Virginia Emergency Operations Plan, activation of the Virginia Emergency Operations Center to provide assistance to local governments, and authorization for executive branch agencies to waive "any state requirement or regulation" as appropriate; and

WHEREAS, on March 13, 2020, the President of the United States declared a national emergency, beginning March 1, 2020, in response to the spread of COVID-19; and

WHEREAS, on March 11, 2020, the World Health Organization declared the COVID-19 outbreak a pandemic; and

WHEREAS, the governing bodies of the members of the Central Virginia Workforce Development Board, being the City of Lynchburg and the Counties of Amherst, Appomattox, Bedford and Campbell, have made individual declarations of local a emergency, specifically finding that the COVID-19 Pandemic constitutes a "disaster" as defined in Virginia Code § 44-146.16, being a "communicable disease of public health threat"; and

WHEREAS, through their Emergency Ordinances, the member jurisdictions specifically found that COVID-19 constitutes a real and substantial threat to public health and safety and constitutes a "disaster" as defined by Virginia Code § 44-146.16 being a "communicable disease of public health threat" and

WHEREAS, through their Emergency Ordinances, the member jurisdictions further found that the COVID-19 pandemic makes it unsafe to assemble in one location a quorum for public bodies including the School Board, the Planning Commission and all local and regional boards, commissions, committees and authorities created by the member jurisdictions or to which the member jurisdictions appoint all or a portion of its members (collectively

"Public Entities" and individually "Public Entity"), or for such Public Entities to conduct meetings in accordance with normal practices and procedures; and

WHEREAS, failure of the Workforce Development Board to act in a timely manner would lead to significant harm to individuals and businesses who use our services and to the region's response to the COVID-19 crisis.

NOW, THEREFORE, BE IT RESOLVED that the Central Virginia Workforce Development Board hereby will conduct electronic meetings to discuss COVID-19 related issues giving proper notice through e-mail, websites and other means practical.

5. COVID-19 Response and Program Updates

Ben Bowman welcomed Tim Saunders as the new Business Engagement and Outreach Coordinator for the Workforce Development Board

Mr. Bowman shared that information is coming in constantly every day at a local, state, and federal level regarding COVID-19. Tim Saunders is currently focusing on using the various social media platforms to help get information out more effectively.

Additional funding will be available in the coming weeks to help support dislocated workers. One of the hardest hit sectors in this region is in hospitality and service.

Another issue in this region is related to internet access and high-speed internet in rural communities. An additional access point has been added outside of the Career Center/VEC building so individuals can drive into the parking lot and file their claims. Comcast has increased hot spot availability, and there is a list available on the VCW website of schools and other organizations that have supplemental internet access for members of the community.

Tim Saunders provided an update on how the Rapid Response Funding received was issued to the region. An application process was enacted with 10 businesses each being awarded some of the funds.

Unemployment claims by date and occupation were also reviewed. As of this past Thursday, over 10,000 people in the region have filed unemployment claims.

Mr. Saunders also reviewed the changes made to the VCW website to help streamline needs of individuals looking for support during this time related to COVID-19.

6. Closing Remarks and Adjournment

Christine Kennedy shared that Jay Timmons, who is the CEO of the National Association of Manufacturers and was just named to the President's recovery task force, will be joining the "Wednesdays at 1:00" Webinar for next week to discuss the long-term impact for the manufacturing industry.

Robbie Morrison shared that the Virginia Cooperative Extension and 4H clubs are conducting several electronic outreach efforts. The Campbell County offices are closed to the public but are still working to connect with individuals in the region. Ben Bowman requested a list of resources from Ms. Morrison to distribute to families in the region to support students currently not in school.

Jason Padgett shared that the he and VEC staff are working to support businesses as needed during this time. He also shared that the message be relayed for affected workers to file their initial claims online to begin the unemployment insurance process.

Ben Bowman thanked all of the Workforce staff for their efforts and work during this challenging time. Nat Marshall welcomed Tim Saunders to the team.

Cynthia Hall made a motion to adjourn, seconded by Cheryl Giggets. The motion was unanimously approved. There being no further business, the meeting was adjourned at 3:59 p.m.
